

Round HDPE Packer Bottles

Multi Purpose Packaging for Better Living

Our HDPE Packer Bottles are designed for convenient filling and dispensing of tablets, capsules, or soft gels, making them popular in the pharmaceutical, over-the-counter, and nutraceutical markets. HDPE resin gives them impact resistance and a strong moisture barrier. We carry standard sizes from 25 - 950 cc with neck finishes of 28-400 to 53-400. Stock color is white but custom shapes, colors, and materials, are available. All bottles are recyclable and can be produced from 0 - 100% post consumer materials (PCR) upon request.
